

We had almost finished building a house over a spring at the summit of a mountain when it started raining. It rained for weeks, so hard that we couldn't leave or learn what was happening. By the time it stopped raining we were on a small island, surrounded only by water, out of food except for a flower garden.

Winter-blooming rose petals, still damp

Silver damp rose petals in a pile

A tall pile of silver rose petals

Shredded rose petals with shredded ivy

Ivy pulled out of the garden, a pile of silver petals

Silver and white roses with a sprinkling of grass

Silver and white rose petals with a small tart yellow flower

Silver and white rose petals with many small yellow flowers, maybe wood sorrel

Wood sorrel with white rose petals

Chopped wood sorrel and rose petals

Wood sorrel with pink rose petals

Pink rose petal salad

Chopped pink roses with wood sorrel

Pink and silver roses with sprinkled wood sorrel

Pink roses and silver roses

Silver rose salad with wood sorrel

Silver rose salad

Silver and sorrel salad with fig leaves

Wood sorrel and shredded fig leaves

Wood sorrel, rose and chopped fig leaves

Fig leaves and white rose petals

Fig leaves wrapped around rose petals

Fig leaf filled with shredded fig leaf

White and pink rose petal salad

White and pink and yellow winter roses

Pink and fuchsia rose petals with chopped wood sorrel

Wood sorrel flowers and magnolia buds

Wood sorrel, sliced magnolia buds, pea flower salad

Wood sorrel, magnolia petals, pea stems

Magnolia petals

Magnolia petals and yellow wood sorrel

Shredded magnolia petals

Magnolia petals and magnolia buds

Shredded magnolia petals

Thick sliced magnolia petals

Magnolia petals with rose petals

Magnolia and white rose salad

Chopped magnolia and rose salad

Chopped magnolia, rose and bud salad

Magnolia petals and white violets

Magnolias and sprinkled violets

Chopped magnolias and yellow violets

Violet, wood sorrel and the last magnolia salad

Violets and a few wood sorrel

A mound of violets

White violets

White and yellow violets

White violets with dotted yellow violets

White violets, purple violets and yellow violets

A mound of purple violets with white violets

A mound of white violets

Purple violets and white violets

Yellow violets

Yellow violets with strewn white violets

White violet salad

Violets and dandelions

White violets and dandelions

Purple and white violets with dandelions

Violets and chopped dandelion greens

Purple violets with yellow violets and dandelion flowers

Violet, dandelion petals, and dandelion leaves

Rose petals and violets

White roses and white violets

White and pink roses with white and purple violets

Purple and white violets

Purple violet salad

Violets and dandelion fluff

Violet, wood sorrel and dandelion seeds

Violet, wood sorrel and shredded dandelion petals

Wood sorrel and dandelion greens with a few sprays of fluff

Dandelion greens with dandelion fluff

Violet, rose petals and dandelion fluff

Violet, grass and dandelion greens

Wood sorrel, rose petals and dandelion greens

Wood sorrel, rose buds and grass

Wood sorrel, rose petals with shredded dandelion fluff

Wood sorrel, the first clover flowers and dandelion fluff

Wood sorrel, clover flowers and periwinkle flowers

Sucked the base of a pile of periwinkle flowers for a trace of sweetness

Shredded clover mound with sprinkled dandelion greens

Grass, dandelion greens and scattered periwinkle flowers

Grass, violets and periwinkle flowers

Periwinkle flowers and violets

Blue and purple salad, periwinkle flowers and violets

White violets and clover

Clover and pink violets

Clover, white violets and dandelion greens

Violets, periwinkle flowers and grass

We're sick again, it might be the grass

A mound of violets, periwinkles and clover flowers

A mound of violets, periwinkles and clover flowers with fluff

Dandelion greens on and off with periwinkle flowers

Violets, dandelion greens and bright dandelion flowers

Clover flowers, dandelion greens and dandelion fluff

A mound of rose petals with sprinkled salt water, the floodwater around the island has turned salty

A mound of rose petals with sea water

White rose petals with yellow sorrel and sea water

Pink rose petals and white rose petals

White rose petals shredded with pink rose petals

Pink rose petals and clover flowers

A mound of white rose petals with seawater

White rose petals in seawater

White rose petals in a pile with sprinkled seawater

White rose petal salad with seawater

Rose petals with dandelion fluff

Rose petals, dandelion fluff, dandelion greens

Rose petal salad with dandelion fluff

Finely chopped rose petals and whole rose petals sprinkled with a small amount of seawater

Rose petals, dandelion greens

Dandelion greens with a bit of seawater

Dandelion greens in a broth of pine needles, dandelion roots and lime leaves

Leftover broth plus a new crop of daylily buds

First grains of amaranth prised from fuzzy amaranth flowers

Amaranth cooked in salt water with power from the solar array and sprinkled over dandelions

Amaranth sprinkled over dandelion flowers and lily petals

Amaranth on dandelion flowers, leaves and orange lily petals

Amaranth on orange lily petals

Peach rose petals, lily petals, cooked daylily pods

Peach rose petals, the white rose is blooming again, lily petals, and sprinkled lavender flowers

Peach rose petals, white rose petals, lily petals

Peach rose petals, white rose petals, orange daylily petals

Peach rose petals, white rose petals, orange daylily petals, lavender

White rose petals, lavender

White rose petals, lavender

White rose petals, lavender, tried rose leaves for the first time

White rose petals, apparently edible but glossy and bitter rose leaves, lavender and salt

White rose petals, marigold buds, lavender and salt water

Marigold petals and salt water

Marigold petals and salt water

Marigold petals, white rose petals

Scattering of amaranth, white rose petals, marigold petals

Rosehip broth with amaranth and marigold petals

Rosehips with amaranth and marigold petals

Marigold petals with whole rose hips and dandelion greens

Cooked dandelion greens in seawater, chopped rosehips and scattered marigold petals

Rosehip and rose leaf broth with dandelion leaves

Rose petals, dandelion leaves, sunflower petals

Rose petals and sunflower petals

Rose petals, dandelion flowers and sunflower petals

Rose petals and clover flowers

Rose petals, clover flowers and the first nasturtium flower which we split

Clover flowers, nasturtium flowers, dandelion greens

Nasturtium flowers, dandelion leaves

Nasturtium flowers, dandelion leaves

Nasturtium flowers and leaves, dandelion leaves

Nasturtium flowers, cooked dandelion leaves, raw dandelion leaves

Nasturtium flowers, cooked dandelion leaves, raw dandelion leaves

Nasturtium flowers and lavender

Nasturtium flowers, dandelion leaves, and crushed lavender leaves

Nasturtium flowers, dandelion leaves and lavender

Nasturtium mash with a tiny pinch of dirt from the pine forest in case there's iron or some other nutrient we need

Nasturtiums and dandelion greens

Rose hip broth, floating nasturtium and cooked greens

Dandelion greens, lavender and crushed rose hips

Dandelion greens, lavender, the last nasturtium flowers

Lavender, rose leaf and lime leaf broth

New crop of clover, clover salad

Clover flower and dandelion greens in separate piles of salad

Clover flower pile, dandelion green pile, dandelion flower pile

Chicory flower pile, dandelion flower pile, clover flower pile

Chicory, dandelion, and clover flowers tossed into a pile

Chicory and clover flowers

Clover stalks and dandelion flowers

Chicory, clover, dandelion leaves mashed and seasoned with dirt and salt water

Flower stew with clover, dandelion and a late echo of nasturtium

Diced dandelion roots, chicory flowers, sunflower petals

Tossed chicory petals with dandelion leaves, side pile of clover flowers

Sick from hydrangea flower salad

A few rose petals

A slightly larger pile of rose petals, spring water

Rose petals with saltwater and spring water

Rose petals floating in salty spring water

Rose petals with shredded marigolds and lavender

Sick from hydrangea leaf salad, we pull out the hydrangea and seed dandelions

A few rose petals

White rose petals

A slightly larger pile of rose petals, spring water

Marigold buds with white rose petals

Shredded marigolds with rose petals

Marigolds and yellow rose petals

Chopped yellow marigolds and yellow roses

Yellow roses and marigold buds

Yellow roses with lavender

Rose petals and lavender

Rose and lavender with shredded marigolds

Marigolds and the first chicory flowers

Marigold buds, from post marigold bloom, slightly heated

Chicory and marigold petals

Blue chicory and marigold petals

Chopped chicory with marigold petals

Chicory

Chicory and lavender with marigold petals

Chopped chicory, dandelion flowers, marigold petals

Chicory flowers, dandelion flowers and marigold petals

Chicory flowers, dandelion seed fluff, dandelion leaves

Dandelion seeds, warm marigold blossoms

Chopped clover flowers with chopped chicory

Clover flowers, chicory

Clover pile, wood sorrel pile and dandelion flower pile

Chicory flowers and dandelion leaves in chicory broth

Chicory petals, wood sorrel and dandelion flowers

Chopped chicory petals, clover petals, and dandelion flowers

Clover flowers, wood sorrel and dandelion leaves

Clover, chicory and dandelion leaves

Clover, wood sorrel and dandelion leaves

Clover, chicory and wood sorrel

Clover and shredded hosta leaf, wood sorrel

Never again hosta leaf, mineral water and a little chalky dirt to ease the stomach acid

Clover flowers, chicory flowers, and wood sorrel flower salad

Chopped clover petals and chicory

Pink and blue chipped clover and chicory salad

Clover flowers, chicory flowers, and wood sorrel flowers

Clover flower, chicory flower and dandelion greens

Clover flowers, chicory flowers, and wood sorrel flowers

Amaranth pile, clover flower pile

Chicories and roses

Chickories and chopped roses

Silver rose petals, chicory flowers and wood sorrel salad

Silver rose petals, chicory flowers, wood sorrel

Silver rose petals, dandelion greens, lavender

Silver rose salad

Silver rose petals and dandelion flower salad

Silver and gold salad with rose and dandelion flowers

Silver and gold salad

Silver and gold salad with rose and wood sorrel flowers

Silver and gold salad with wood sorrel flowers

Silver and gold and blue salad with rose, dandelion and chicory salad

The sun, the stars and the sky salad with rose petals, dandelion flowers and chicory

The sun, the stars, the sky and the earth salad with rose petals, dandelion flowers, chicory and dandelion greens

Chicory, wood sorrel and dandelion salad

Wood sorrel and dandelion salad

Wood sorrel lemonade with a side pile of clover flowers

Clover, rose and dandelion salad

Rose, lavender and dandelion salad

Dandelion salad

White rose and dandelion salad

White and green rose and dandelion salad

Dandelion salad

Dandelion and lavender salad

Dandelion salad with sprinkled lavender

Dandelion salad with lavender and seawater

Dandelion soup with sliced dandelion roots and lavender

Rose petal and clover salad

Silver rose petal and clover salad

Marigold and silver rose petal salad with wood sorrel

Steamed marigold bud and silver rose petal salad with wood sorrel

Wood sorrel, marigold petals and dandelion greens

Silver rose petals, lavender and dandelion greens

Dirt with rose petals and rose hips over dandelion greens

Dandelion greens with silver rose petals

Dandelion green pile, clover pile, sunflower seed pile

Silver rose petals and dandelion greens

Silver rose petals with the acid of sprinkled sumac

Silver rose petals with sumac and clover

Clover flowers with sumac

Clover flowers, and a pile of sumac and sunflower seeds

Clover, dandelion and sumac salad

A clover pile and a silver rose pile

Piles of clover and silver rose scattered with sumac

Chopped clover and silver roses

Clover and silver roses with dandelion greens

Clover, dandelion greens, and sumac salad

Clover, dandelion flowers and sumac salad with lavender

Clover and chrysanthemum petals

Chrysanthemum petals and dahlia petals

Yellow, red, red pink and red chrysanthemum petals with burgundy, white and yellow dahlia petals

Yellow, red, red pink and red chrysanthemum petals with burgundy, white and green dahlia petals

Orange, yellow, red, and red orange chrysanthemum petals with burgundy, white and green dahlia petals

Orange, yellow, white, and red orange chrysanthemum petals with pink, white and green dahlia petals sprinkled with sumac and salt water

White, pale pink and scarlet chrysanthemum petals with pink, white and green dahlia petals sprinkled with sumac

Cold salty soup with pink, yellow, rose, lavender and orange chrysanthemum petals and green dahlia petals

Orange dahlia petal water

Orange dahlia petals

Orange and yellow dahlia petals

Orange and white and yellow dahlias

White chrysanthemums and yellow dahlias

White chrysanthemums and white dahlias

Chopped white petals salad

Yellow chrysanthemum petals with white dahlia petals

Yellow and pink and purple dahlia petals

Yellow chrysanthemum petals

Yellow and red chrysanthemum petals

Blue, red, green and orange chrysanthemum petal salad

Orange, yellow and red petal salad with green dahlia petals and dandelion greens

Purple, blue, and white chrysanthemum petal salad with sumac and sea water

Green chrysanthemum petals with green dahlia petals and dandelion petals

Green petal and dandelion salad

Yellow, green and white dahlia petals with silver rose petals

Yellow, green and white dahlia petals with silver rose petals and sumac

Yellow, orange, and black dahlia petals

Black, red black and blue black dahlia flowers with maroon chrysanthemum petals

Maroon chrysanthemum petals with chopped marigolds

Maroon, white and green chrysanthemums with shredded marigolds

Maroon and white chrysanthemums with marigolds

Maroon, red, yellow and orange chrysanthemum petals

Chopped maroon chrysanthemums with marigolds

Yellow and red and orange chrysanthemum petals

Maroon and yellow chrysanthemum petal salad

Chrysanthemum and surprise lone clump of seaweed salad with green dahlia petals

Green, yellow and white dahlia petals

Seaweed broth with floating chrysanthemum buds

Fragrant marigold and orange dahlia flower salad with sprinkled sumac

The last dahlia flowers with seaweed and dandelion greens

Spicy white chrysanthemum petals with dandelion salad and sprinkled salt water

White chrysanthemums with dandelions

White chrysanthemum petals with dandelions

Fall blooming coral roses with chrysanthemums

Coral rose petals with the last chrysanthemums

Coral rose petal salad and dandelion greens

Lime flower petals (some fell prematurely) with rose petals

Coral rose petals with dandelion greens

Coral rose petals in pine needle broth

Rose hips in seawater and shredded coral roses

Shredded coral roses

Coral rose petals in pine and sumac broth

Coral rose petals, pure pine broth mixed with a bit of dirt

Coral rose petals, rose hips, pine broth

Rose hips shredded with amaranth

Pine nuts

Toasted pine nuts

Pine nuts touched with a few grains of evaporated salt

Coral rose pile before a handful of pine nuts

Sumac, amaranth, pine nuts

Creeping charlie seems edible, minty almost

Amaranth, pine nuts, creeping charlie

Pine nuts, creeping charlie

Creeping charlie and coral roses

Seaweed, creeping charlie and coral roses

Seaweed, creeping charlie and shredded roses

Creeping charlie, dandelion greens and coral roses

Chopped creeping charlie and dandelion greens

Chopped roses with creeping charlie and dandelion greens

Shredded charlie with pine nuts

Shredded charlie with pine nuts and a bit of dirt

Pine nuts, sumac, charlie

Shredded charlie with lime zest and a trial of what might be borage

Apparently edible borage, amaranth, salt water

Borage leaves with the last of the coral rose petals tossed with mashed pine nuts

Borage and charlie shredded into a fine slaw with lime zest

Charlie shredded in a seaweed broth

Charlie shredded with seaweed strands

Charlie and wood sorrel shredded with dandelion leaves

A new crop of dandelion and wood sorrel arrive in the mildness of winter, chopped with pine nuts

Borage and dandelion with shredded charlie

Diced charlie stems with seaweed and rose petals

Baby dandelion greens with borage and sumac

Baby dandelion greens with chopped borage and charlie

Baby dandelion greens with shredded charlie and periwinkle flowers

Dandelion greens with shredded periwinkle flowers and seawater broth

Dandelion greens with an X of seaweed laid across

Borage and shredded charlie with seaweed and periwinkle flowers

Borage and periwinkle flowers

Seaweed in a mineral water and seawater broth

Shredded dandelion in a seawater broth with lime juice

Shredded dandelion and charlie

Dandelion leaf with periwinkle and a few early violets

Periwinkle flowers with salt water and lime juice

Periwinkle flowers with salt water

Periwinkle flowers with yellow violets

Periwinkles with white and yellow violets

White violets and shredded borage

White and yellow violets with yellow sorel

Violets with shredded charlie

Violets, shredded charlie and pine nuts

Mounds of violets and a mound of pine nuts from storage

Violets

Violets and periwinkle

Violets and periwinkle with chopped dandelion leaves

Yellow violets

Periwinkle, violets and shredded charlie

Charlie with white violets

Yellow violets and dandelion greens

Dandelion flowers, greens and seaweed

Yellow violets, dandelions and seaweed

Chopped yellow violets

Chopped dandelions, grass and violets

Pine needle broth with seaweed strands and white violets

Charlie and a small pile of sunflower seeds from storage

Violets, periwinkles and chopped dandelion with magnolia buds

Yellow violets and shaved magnolia buds

Peppery magnolia buds and dandelion greens

Dandelion leaves with chopped magnolia buds and a few sunflower seeds

Dandelion leaves with white violets and magnolia buds

Violets, periwinkle and shaved magnolia buds

Borage, grass and shredded magnolia

Magnolia petals and white violets

Sliced white magnolia petals and white violets

Magnolia petals mounded with white violets

Wood sorrel, violets, and just-opening pea flowers

Pea flowers, violets and magnolia

Pea flowers and violets

Chopped violets and magnolia petals

Pea flowers wound into balls with pea stems and pea leaves

Pea flower balls wrapped around a condensed handful of violets

Pea flowers and violets in a mound with sprinkled grass

Pea flowers and a few sunflower seeds

Dandelion cut into long strips and tossed with sea water and violets

Dandelions cut and tossed with salt water, and a mass of yellow violets

A mass of yellow violets and white violets tossed with salt water and arranged like an omelet

A crescent of yellow and white violets

A full moon of yellow and white violets

A blood moon of pink violets

A harvest moon of yellow violets

Clover pile, pea flower pile, violet pile

Charlie, dandelion and pea flower pile

Clover flower pile

Clover flowers, pea flowers, violets with chopped lilac

Violets and lilacs with a splash of seawater

Violets, lilacs and dandelion greens

Violets and lilacs with whole dandelion flowers

Yellow violets with shredded dandelion flowers

Sun dried dandelion buds with yellow and white violets

Dandelion fluff with shredded lilac and violets

Dandelion fluff over lilacs

Dandelion greens with pea flowers and lilacs

Lilacs

Chopped lilacs

Chopped and shredded lilacs

Shredded magnolia petals with lilacs

Lilacs sprinkled with pea flowers

Lilacs with salt water

Lilacs chopped with saltwater

Lilacs and violets

Lilacs and purple violets

Lilacs and purple and white violets

Shredded lilacs with a blanket of violets

Lilacs eaten on the cluster like corn

Lilacs picked from the cluster like grapes

Chopped lilac mound

Chopped lilacs with dandelions

Dandelion greens and pea flowers

Dandelion greens, pea flowers and lilacs

Violet and lilac salad

Lilac salad

White lilac salad

We chew a surplus of violets and lilacs and spit the smooth paste into a jar to make something like wine

Dandelion salad with dandelion flowers

Clover pile with dandelions

Clover petals chopped fine with dandelions

Violet, clover, and dandelions

Yellow violets, pink violets, purple lilac

White lilac, white violets and a sprinkle of sea salt eaten in the fog, tastes like fog

Sunflower seeds arranged in the shape of a small flower beside clover, pink violets and shredded lilac

Pine nuts arranged in a flower next to a mound of yellow violets

Dandelion greens, dandelion flowers, dandelion fluff

Dandelion root broth with shredded leaves, flowers and fluff

Dandelion root broth with shredded leaves

Dandelion root broth with chopped magnolia petals

Magnolia petals with grated dandelion root

Magnolia petals with grated dandelion root and shredded charlie

Magnolia petals with dandelion greens and shredded charlie

Shredded magnolia petals with shredded dandelions and shredded charlie

Shredded magnolia petals, violets and lilacs

Magnolia petals wrapped around violets, lilacs and clover flowers

Clover pile, violet pile and lilac pile

Clover, dandelion greens and lilac

Chopped clover, violets and dandelion flowers

Dandelion flowers in a saltwater and mineral water broth

Dandelion flower and pine needle broth

The last pine nuts followed by violet and clover salad

White violet, yellow violet and clover pile

White lilac and white violet salad with shredded dandelion flowers

White lilac and white violet salad with the first marigolds

A volcano of lilacs piled high with an explosion of marigolds at the center

White violets with marigolds and shredded charlie

Marigolds with dandelion greens and salt water

Marigolds with clover and dandelion greens

Marigolds with clover and pink rose petals

Marigolds with silver rose petals and dandelion greens

White, silver and red rose petals

White and silver rose petals

A fish shaped from white and silver rose petals

A fish shaped from marigold and shredded dandelion flowers

A fish pond shaped from blue borage flowers with a dandelion fish swimming inside

Periwinkle water with silver rose petal trout

Periwinkle ponds with a sprinkle of salt water

Periwinkle and borage ponds with charlie water lily leaves

Periwinkle and borage ponds with shredded white rose petal water lilies

Marigold suns with dandelion sunspots

Silver rose moons with periwinkle earths in the distance

Dandelion leaves and shredded charlie

Dandelion leaves with shredded charlie and salt water splashes

White rose petals, yellow rose petals and peach rose petals

Exploded rose bouquet pile

Exploded wedding bouquet

Yellow rose petals with nasturtium and dandelion greens

Nasturtium and yellow violets with pine needle broth

Pine needle broth with nasturtium and dandelion greens

Nasturtium, dandelion greens, and lightly cooked lily buds

Nasturtium and lightly cooked lily buds, slightly reminiscent of asparagus

Lily buds arranged in a flower with a side pile of dandelion greens

Nasturtium flowers with seaweed and dandelion greens

Nasturtium flowers with yellow, white and silver rose petals

Gold, white and green rose petals with shredded nasturtium

Lily buds with rose petals

Borage, periwinkle and nasturtium

Borage, periwinkle and white rose petals

Borage, periwinkle and silver rose petals

Periwinkle, white rose petals and shredded nasturtium

The outline of a fish in white rose petals and shredded nasturtium

Shredded nasturtium with shredded charlie and shredded dandelion greens

A sip of the chewed flower petals that is now purple and frothy

Lilac leaf tea with violets

Dandelion greens with violets and silver rose petals

Silver rose petals with white rose petals and yellow rose petals

A pile of silver rose petals with lily buds shaped into a five-pronged flower

A hill of silver rose petals sprinkled with salt water

A mountain of silver rose petals sprinkled with sea salt

Borage, periwinkle and silver rose petals

Borage, periwinkle and the gleam of silver rose petals

Borage and periwinkle pools with the sparkle of shredded dandelion flowers

Borage and periwinkle pools with the glimmer of yellow roses

Borage and periwinkle pools with the submerged glitter of yellow roses

Periwinkle pools with ice blue violets

White violet pools

Silver rose petals and shredded nasturtium

Silver rose petals and white pine needle broth

Silver rose petals with shredded borage

Charlie hidden under borage and silver rose petals

Peach rose petals with charlie and shredded rose

Peach rose petals with white rose petals and shredded rose petals

Peach rose petals sprinkled with silver rose petals

Silver rose petals in spring water and lime zest

Silver rose petals with a flower of sunflower seeds

Silver rose petals with shredded charlie and dandelion greens

Silver rose petals, nasturtium and shredded charlie

White rose petals and shredded nasturtium

White rose petals, nasturtium and a few cooked lily buds

White rose petals, pink rose petals, lavender rose petals, periwinkle rose petals

Periwinkle rose petals with chopped periwinkle

Charlie with chopped charlie and nasturtium

Dandelion greens with peppery nasturtium and the last sunflower seeds of last fall

Amaranth and pine nut pile with sprinkled sea salt

Lily pods lightly cooked in a pine needle and borage broth

Rose petals with sprinkled nasturtium and borage

Silver rose petals in a saltwater broth

Silver and gold rose petals with wood sorrel

Silver and gold and white rose petals with sprinkled salt water

Silver and gold and white rose petals with chopped charlie

Silver and white rose petals with charlie and dandelion

Silver and rose and orange rose petals with nasturtium and one lily pod

Silver and gold rose petals chopped with sprinkled peach rose petals

White and yellow rose petals with nasturtium and pink rose petals

Marigold, dandelion and shredded yellow rose

Marigolds and white roses

Shredded marigolds and white roses bleed into a pale orange salad

Shredded lily and marigolds become a bright orange salad

Shredded silver rose petals and borage become pale blue gray mounds

Pink and white rose petals become pale pink salad mounds

Yellow and red shredded roses become orange salads

White and red shredded roses become pale pink salads

Silver and blue roses become blue gray salad mounds with sprinkled salt

Pink and red shredded rose petals become salmon colored salad mounds

Orange and red shredded roses become lava-colored salad mounds

White and blue roses become pale cumulous salad mounds with pine needle broth

Green and yellow shredded roses become chartreuse salads

Green and blue shredded roses become turquoise salads

Pink and blue shredded roses become lavender salad mounds

Red and blue rose petals become moist purple salads

Red and white shredded roses become pink salads

Peach and white salads become pale peach salads

One blue salad and one white salad

One yellow salad and one red petal salad

One peach salad and one salmon-colored salad

One lavender salad and one purple salad

Silver salad and yellow salad

Silver salad and gold salad

White salad and a pile of purple salad

White salad and white salad

A pile of red salad beside a pile of yellow salad

Last yellow roses beside a pile of shredded charlie and dandelion greens

Shredded charlie with dandelion greens and a few chopped dandelion flowers

Shredded charlie with borage and dandelion

Chopped charlie with young dandelion

Young dandelion with chopped charlie and borage

Young dandelion greens with chopped charlie

Young charlie with young dandelion

Young dandelion with nasturtium and dandelion

Small pile of amaranth grains mounded on a nasturtium flower

Fermented violet wine, undrinkable

Amaranth on nasturtium flowers

Amaranth with charlie

Charlie

Shredded charlie

Shredded charlie with salt water

Shredded charlie with dandelions and salt water

Shredded charlie with chopped dandelions

Shredded charlie with shredded dandelions and silver rose petals

Shredded charlie and silver rose petals

Silver rose petals

Shredded charlie with silver rose petals and salt water

Shredded charlie with nasturtium and orange rose petals

Orange rose petals and chopped nasturtium

Red rose petals with sprinkled sumac and salt water

Red roses with sumac and chopped nasturtium

Roses with salt and nasturtium

Chopped mixed rose petals with charlie and nasturtium

Chopped white rose petals with sprinkled sumac

White rose petals with chopped sumac

White rose petals with silver rose petals and ground sumac

White roses with sprinkled salt water

White roses with seaweed

White and silver roses with dandelion greens

White, silver and lavender roses with dandelion greens

White, silver, lavender and red roses with dandelion greens

White, silver, lavender, red and orange roses with dandelion greens

White, silver, lavender, red, orange, pink roses with dandelion greens

White, lavender, red, orange, pink roses with dandelion greens
